RE: Woodwind Golf Academy

Dear Mr. Stumpf:

We have reviewed the submittal to the Hamilton County Surveyor's Office on December 15, 2008, for this project and have the following comments:

1. The proposed project falls in the incorporated area and MS4 jurisdiction of the City of Westfield.
2. This proposed project DOES NOT fall within a Westfield Wellhead Protection Area.
3. The proposed project falls in the John Edwards Arm, Little Eagle Creek Regulated Drain Watershed.
4. Due to the small increase (1100 sq. ft.) of impervious area and the existing on-site detention ponds, HCSO will not require drainage calculations or additional detention volume for this proposed project.
5. HCSO has no concerns with this proposed building addition to the golf course complex.

Should you have any questions, I can be reached at 317-776-8495.

Sincerely,

Greg Hoyes, AC, CFM
